To: The holders of Options ("**Participants**") granted under the LTG Enterprise Management Incentive (EMI) Share Option Plan ("**EMI Plan**") and/or LTG Nominal Cost Option Plan ("**Nominal Cost Option Plan**")

20 December 2024

Dear Participant

Recommended acquisition of Learning Technologies Group plc ("LTG") by Leopard UK Bidco Limited ("Bidco") (a newly formed company owned by funds managed by GASC APF, L.P. and certain of its managed funds (including Atlantic Park), accounts and/or affiliates)

As you know, LTG and Bidco announced on 4 December 2024 that they had agreed the terms and conditions of a recommended acquisition of the entire issued, and to be issued, ordinary share capital of LTG by Bidco. In this Letter, this is referred to as the "**Acquisition**".

You are receiving this Letter because you hold one or more options granted under the EMI Plan and/or the Nominal Cost Option Plan ("**Option(s)**").

This Letter tells you about the impact of the Acquisition on your Option(s), the choices you have, assuming the Acquisition proceeds, and what you need to do. **Once you have made your choice, you will not be able to change it.**

If you hold Option(s) granted in 2018 and 2020 under the EMI Plan with an exercise price greater than £1.00 per LTG Share, these Option(s) are underwater ("**Underwater Options**"). This means that you would have to pay more to exercise such Option(s) than the value of the LTG Shares you would receive on exercise. Accordingly, this Letter does not apply to Underwater Option(s), which will lapse following completion of the Acquisition.

In the Appendix to this Letter you will find further details regarding the Acquisition, including the anticipated timetable, as well as a definitions section which explains the key defined terms used in this Letter.

A copy of this Letter can also be found on LTG's website at <https://ltgplc.com/offer-microsite/>. **This Letter should be read together with the Scheme Document**, a copy of which is also available on the same LTG website.

Proposal

Bidco is required by the Takeover Code to make an "appropriate proposal" to holders of options (including your Option(s)) to safeguard their interests in the context of the Acquisition.

The **proposal** is that you exercise all of the outstanding Option(s) (other than Underwater Options) that you hold on Court Sanction (the "**Outstanding Option(s)**") to the maximum extent vested on that date. The LTG Remuneration Committee has determined that any Option(s) that you exercise by accepting the proposal will be settled by payment of a cash amount that would put you in the same position (after

having paid the applicable exercise price and relevant Tax Liability (as defined in the rules of the relevant Option Plan)) as if you had acquired LTG Shares and sold these under the Scheme. Details of whether and to what extent your unvested Option(s) will vest in connection with the Acquisition can be found in Section 1 of the Appendix.

LTG Shareholders will be entitled to receive £1.00 in cash for each LTG Share they sell under the Scheme (the "**Consideration**"). Please note, however, that if any dividend, distribution and/or return of value is proposed, authorised, declared, made or paid by LTG (or becomes payable) in respect of LTG Shares, Bidco reserves the right to reduce the cash consideration payable under the terms of the Acquisition by the amount of any such dividend, distribution and/or other return of value.

How to accept the proposal

Please read this Letter, together with the Appendix, in full.

If you then wish to accept the proposal to exercise all your Outstanding Option(s) on Court Sanction, you can do so by completing and returning the enclosed form of exercise instruction ("**Form of Exercise**") via email at sharequeries@ltgplc.com or via DocuSign **no later than 17.00 UK time on 24 January 2025**.

Your instruction will be subject to the Terms and Conditions included in the Form of Exercise.

Details of your choices to exercise your Option(s) at other times are set out in this Letter.

If you do nothing, your Option(s) will ultimately lapse and you will receive no value for them.

Recommendation

The LTG Directors other than Andrew Brode and Jonathan Satchell (the "**Independent LTG Directors**"), who have been so advised by Goldman Sachs and Deutsche Numis as to the financial terms of the proposal set out in this Letter, consider the terms of such proposal to be fair and reasonable. In providing their advice to the Independent LTG Directors, Goldman Sachs and Deutsche Numis have taken into account the commercial assessments of the Independent LTG Directors. Goldman Sachs and Deutsche Numis are providing independent financial advice to the Independent LTG Directors for the purposes of Rule 15.2 of the Takeover Code.

THE INDEPENDENT LTG DIRECTORS RECOMMEND THAT YOU ACCEPT THE PROPOSAL AS SET OUT IN THIS LETTER AND EXERCISE YOUR OUTSTANDING OPTION(S) ON COURT SANCTION. You should consider your own personal circumstances, including your tax position, when deciding whether to accept the proposal and your preferred timing for exercising the Option(s) that you hold.

Questions

If you have any questions on the contents of this Letter, please contact sharequeries@ltgplc.com, but please be aware that no legal, tax, financial or investment advice on the Acquisition, the Option Plans and/or your choices can be provided by LTG or Bidco.

Yours faithfully

Learning Technologies Group PLC

APPENDIX

SECTION 1. IMPACT OF THE ACQUISITION ON YOUR OPTION(S)

1. When can I exercise my Option(s)?

You can exercise vested Option(s) when you choose (subject to the LTG share dealing code, if applicable) up to the date that they lapse. **Please note that the Acquisition will not extend the exercise period of any vested Option(s) nor alter the number of shares in respect of which the Option(s) have vested.**

If you exercise vested Option(s) before Court Sanction and still hold any LTG Shares at the Scheme Record Time, these will be automatically bought by Bidco under the Acquisition. You will receive Consideration of £1.00 for each LTG Share (subject to any adjustment provided for under the Scheme), unless you elect, in respect of all or part of your holding of LTG Shares, for an Alternative Offer (as defined in the Scheme Document) to receive Rollover Securities (as defined in the Scheme Document) in lieu of the cash Consideration (as described at paragraph 3 of Section 2 of this Appendix).

If your Option(s) have not vested by Court Sanction, they will do so on Court Sanction on the basis set out in **paragraph 4** below and you can exercise them from that date until six weeks after the Effective Date (unless they lapse earlier under the rules of the Option Plans).

Please note that whilst your Option(s) may remain exercisable for a limited period after Court Sanction, waiting to exercise them will not increase the number of shares vested nor the cash amount payable to you.

2. What is the proposal and how do I accept it?

If you do nothing, your Option(s) will ultimately lapse and you will receive no value for them.

All Option(s): Accept the proposal to exercise all of your Outstanding Option(s) on Court Sanction

If you accept the proposal to exercise all of the Outstanding Option(s) that you hold on Court Sanction (to the maximum extent vested on that date), you will receive a cash amount that would put you in the same position (after having paid the applicable exercise price and relevant Tax Liability (as defined in the rules of the relevant Option Plan)) as if you had acquired LTG Shares and sold these under the Scheme.

Any tax and social security contributions that the LTG Group is required to withhold will be paid to the relevant tax authority. You will receive the net proceeds via payroll (see paragraphs 5 and 9 below).

Please refer to **paragraph 4** below regarding vesting of your Option(s).

To accept the proposal to exercise all of the Outstanding Option(s) that you hold on Court Sanction (to the maximum extent vested on that date) please complete and return the enclosed Form of Exercise to exercise your Option(s) via email at sharequeries@ltgplc.com or via DocuSign **no later than 17.00 UK time on 24 January 2025.**

Please note that your instruction is conditional on Court Sanction. See Section 2 of this Appendix for further details on the conditions that have to be met before Court Sanction takes place and the anticipated timetable of events.

Vested Option(s) only: exercise your Option(s) before Court Sanction

You can also choose to exercise any vested Option(s) that you hold before Court Sanction (subject to your compliance with the LTG share dealing code, if applicable).

To exercise vested Option(s) before Court Sanction you should not complete the enclosed Form of Exercise and should instead submit an instruction to do so via the LTG dealing desk. The last date on which the exercise of an Option will be processed before Court Sanction will be fifteen Business Days before the date of the Court Sanction.

Any vested Option(s) exercised before Court Sanction will not be settled in cash (unless the LTG Remuneration Committee determines otherwise). You will have the usual choices in respect of the LTG Shares you receive on exercise of your Option(s) before Court Sanction – keep them, sell enough to pay the exercise price and any Tax Liability (as defined in the rules of the relevant Option Plan) together with any applicable fees or sell all of them. You will receive the prevailing market price for any LTG Shares you sell before Court Sanction (which may be lower than the Consideration).

If you still hold any LTG Shares at the Scheme Record Time, these will be bought automatically by Bidco under the Acquisition for the Consideration of £1.00 for each LTG Share (subject to any adjustment provided for under the Scheme), unless you elect, in respect of all or part of your holding of LTG Shares, for an Alternative Offer (as defined in the Scheme Document) to receive Rollover Securities (as defined in the Scheme Document) in lieu of the cash Consideration (as described at paragraph 3 of Section 2 of this Appendix).

Please note that you can only exercise Option(s) before Court Sanction if your Option(s) have already vested.

If you do exercise vested Option(s) before Court Sanction, and also hold other Option(s), you also need to take further action in order to exercise such Option(s) and receive value for them.

3. Can I exercise my Option(s) after Court Sanction?

You can choose to exercise any vested Option(s) that you hold on Court Sanction (to the maximum extent vested on that date) during the six week period after the Effective Date, (unless they lapse earlier under the rules of the Option Plans).

*Please note if you want to wait to exercise Option(s) after the Court Sanction you will need to remember to take further action after Court Sanction and your Option(s) will **ultimately lapse** if you do not do so. **If you instead want to take action now to ensure your Option(s) are exercised at the time of Court Sanction please refer to paragraph 2 above and accept the proposal.***

If you elect to exercise your Option(s) in the six week period after the Effective Date, you will still receive a cash payment of £1.00 for each LTG Share in respect of which you exercise your Option(s) (being the Consideration, subject to any adjustment provided for under the Scheme) less the applicable exercise price of such Option(s) and applicable tax and social security deductions.

If you exercise your Option(s) after Court Sanction, the number of shares vested will **not** increase, but your Option(s) will be exercised at a later time. This means you would still receive the same cash Consideration, but **you will receive payment later than exercising on Court Sanction by accepting the proposal.**

Any tax and social security contributions that the LTG Group is required to withhold will be paid to the relevant tax authority. You will receive the net proceeds via payroll (see paragraphs 5 and 9 below).

If you elect to exercise your Option(s) in the six week period after the Effective Date, you do not have to do anything until after the date of Court Sanction. When you are ready to exercise, you should not complete the enclosed Form of Exercise and should instead submit an instruction to exercise your Option(s) by contacting sharequeries@ltgplc.com.

If you do not submit an instruction to exercise your Option(s) so that your exercise instruction is received in time to be processed within the six week period after the Effective Date, your Option(s) will lapse (unless they lapse earlier under the rules of the Option Plans) and **you will receive no value for them.**

4. Can I exercise my Option(s) in full?

If your Option(s) have already vested, yes, you can exercise to the full extent to which your Option(s) are already vested.

If you hold unvested Option(s), the number of LTG Shares that will vest on Court Sanction (or before Court Sanction, if applicable) will be determined by the LTG Remuneration Committee in accordance with the rules of the relevant Option Plan and the terms on which your Option(s) were granted.

5. If the Acquisition proceeds, when will I receive my cash payments after I exercise my Option(s)?

If you accept the proposal to exercise Option(s) on Court Sanction (all Option(s)):

If the Acquisition goes ahead, the cash settlement amount will be paid to you through the next practicable payroll (subject to relevant tax and social security withholdings).

You will receive payment(s) in your payroll currency and, if different from GBP, payment(s) will be converted to your payroll currency at the exchange rate selected by LTG on or around the date of payment.

If you exercise vested Option(s) before Court Sanction:

If you exercise vested Option(s) prior to Court Sanction, and if the Acquisition goes ahead and you still hold LTG Shares from your Option(s) (after settling any tax and social security contributions due on exercise, as well as the exercise price payable), the cash Consideration

will be payable by Bidco within 14 days of the Acquisition completing. Details on how the Acquisition would apply to your LTG Shares in this case are set out in the Scheme Document.

If you exercise Option(s) after Court Sanction:

If you exercise your Option(s) after Court Sanction, the cash settlement amount (being the Consideration subject to any adjustment provided for under the Scheme, less the applicable exercise price of such Option(s) and applicable tax and social security deductions) will be despatched to you, **at a later time**.

6. Can I make different choices for different Option(s)?

You can use the enclosed Form of Exercise to exercise all of your Option(s) (to the maximum extent vested).

If you hold Option(s) granted in different years and/or under both Option Plans, and you wish to make a different choice in respect of certain Option(s), you should contact sharequeries@ltgplc.com.

Please note that whilst your Option(s) may remain exercisable for a limited period after Court Sanction, waiting to exercise them will not increase the number of shares vested nor the cash amount payable to you.

7. What happens under the other LTG Share Plans?

If you hold other awards or options under the LTG Share Plans, you will receive a separate communication in respect of each of these awards or options.

8. What happens if I leave the LTG Group?

Your Option(s) will normally lapse if you leave the LTG Group.

If, exceptionally, you leave the LTG Group in circumstances where your Option(s) do not lapse, you will be able to exercise your Option(s) as described above, provided that your Option(s) may vest in respect of fewer LTG Shares than on the basis described in **paragraph 3**. You will receive further details if and when this becomes applicable to you.

9. How do I pay the income tax and social security contributions?

For exercises on or after Court Sanction, applicable tax and social security contributions will be deducted from the cash amount payable to you.

If you exercise vested Option(s) prior to Court Sanction, you will (unless you make separate arrangements) be required to sell sufficient LTG Shares to cover any income tax and social security contributions that the LTG Group is required to deduct via payroll.

Any other taxes, for example capital taxes, or duties, that may arise in connection with your Option(s) or the LTG Shares are your responsibility.

10. What happens if I do nothing?

If you do not submit a Form of Exercise or otherwise exercise your Option(s) after they become exercisable so the instruction is received and processed within the six week period after the Effective Date (or any earlier lapse date that applies to your Option(s)), your Option(s) will lapse and you will receive no value for them.

SECTION 2. ACQUISITION SUMMARY

1. How does the Acquisition work?

The Acquisition is expected to be carried out through a process called a "scheme of arrangement". The Scheme has to be approved by LTG Shareholders and the Court. If you want to read more about this, please go to <https://ltgplc.com/offer-microsite/> on the LTG website, where you will find the Scheme Document for the Acquisition that was sent to LTG Shareholders and Participants (for their information only) on 20 December 2024. A copy of this Letter is also available on the same LTG website.

2. What will LTG Shareholders receive under the Acquisition?

For each LTG Share sold to Bidco through the Scheme, an LTG Shareholder will receive £1.00, unless they elect to receive Rollover Securities (as defined in the Scheme Document) under an Alternative Offer (as defined in the Scheme Document) in lieu of the cash Consideration. However, if any dividend, distribution and/or return of value is proposed, authorised, declared, made or paid by LTG (or becomes payable by LTG) in respect of LTG Shares, Bidco reserves the right to reduce this payment by the amount of any such dividend, distribution and/or other return of value.

3. Can I elect to receive Rollover Securities under an Alternative Offer?

No, you may not elect to receive Rollover Securities under an Alternative Offer if you accept the proposal and exercise your Outstanding Option(s) on Court Sanction.

Please note that, if you otherwise hold or acquire LTG Shares (including pursuant to the exercise of any vested Option(s) before Court Sanction) in time to accept an Alternative Offer to receive Rollover Securities in lieu of the cash Consideration in respect of all or part of your holding of LTG Shares, you may do so by following the instructions set out in Part 7 (*How to Make an Election for an Alternative Offer*) of the Scheme Document. Further detail in relation to the Alternative Offers and the Rollover Securities is set out in paragraphs 2 and 3 of Part 2 (*Explanatory Statement*) and Part 6 (*Summary of the Alternative Offers, the Rollover Securities and the Topco Group*) of the Scheme Document. The latest time for accepting an Alternative Offer in respect of LTG Shares is the Election Return Time (as defined in the Scheme Document), being 13.00 (UK time) on the fifth Business Day prior to the date of Court Sanction.

4. When will the Acquisition take place?

The date for Court Sanction has not yet been set but, subject to the Acquisition being approved by LTG Shareholders, Court Sanction is anticipated to occur in the first quarter of 2025. Therefore the timing of Court Sanction and the Acquisition completing (known as the Effective Date) cannot be guaranteed and will be announced if and when known.

5. What will happen if the Acquisition does not complete?

If Court Sanction does not occur, or if the Acquisition does not complete for some other reason, your Option(s) will continue unaffected as before (and any completed Form of Exercise will have no effect).
